Dang Hoan My is a Corporate/Mergers & Acquisitions Lawyer with extensive experience in securities & capital markets, public and private mergers and acquisitions, including takeovers of public listed companies, share and asset sale and purchase, investments into mature corporations and start-ups, joint ventures and restructuring. He has advised and represented clients on both buy-side and sell-side transactions across a variety of industries, in particular advising on complex, cross-border transactions that involved targets or acquirers from different geographies.

He has substantial experience working in inward investment, corporate restructuring, corporate & commercial transactions, energy and resource sectors. He understands clients' commercial issues and grasps their business needs. He has advised on the following notable transactions:

- Advised for TLC Modular Group in relation to investment by Goldman Sachs Asset Management.
- Acted for Truong Hai Auto Corporation (THACO) for acquisition of a top hypermarket store in Vietnam (E-Mart Vietnam).
- Acted for THACO for acquisition of HAGL Agrico (an agriculture company listed on Ho Chi Minh Stock Exchange) for investment in agriculture.
- Advised for Sinenergy Group to develop a new solar power project with capacity over 100MWp.
- Advised for AIG Asia Ingredients Corporation (ASIA Group – a public company) for group restructuring and other corporate matters.
