Ngo Dang Loc is a senior associate and deputy head of Banking & Finance, Capital Markets at Indochine Counsel, and a key member of the Corporate and M&A team.

Since joining the firm in 2020, Loc has advised prominent international investors and domestic clients on their investments and operations in Vietnam, across sectors such as renewable energy, education, fintech, trading, and manufacturing. His key clients include Athena Energy, SUN Energy, Sembcorp Energy, EQuest Education Group, Crestar Education Group, Grab Vietnam, TikTok Vietnam, Beta Group, ANTA Sports, Mega Lifesciences, Rheem Australia, and Mermaid Maritime Vietnam.

Experience

Loc has advised on the following notable transactions:

- Advised ANTA Sports on the acquisition of a distribution business in Vietnam.
- Advised Truong Hai Group Corporation (THACO) in a \$350 million convertible bond issuance to Jardine Cycle & Carriage Limited (JC&C).
- Advised EQuest Education Group on the acquisition of a controlling stake in Khoi Nguyen Education Group.
- Advised Crestar Education Group on the acquisition of 100% equity in a Vietnamese company operating in the education sector.
- Advised Deel Inc., a global HR platform, on the comprehensive restructuring of its entities in Vietnam.
- Advised a reputable Singapore-based payment platform provider on multiple M&A deals in the fintech and technology sectors.
- Advised leading solar project developers in Indonesia and Singapore on the acquisition of rooftop solar projects in Vietnam.
- Advised Mermaid Maritime on the sale of its business in Vietnam to Erria A/S.

Publication

Loc is the author of numerous legal publications at Indochine Counsel and a co-author of publications and articles published by the Asian Business Law Institute and the Singapore Academy of Law, and various other legal and business magazines. Some of his renowned publications
