Resolution No.57-NQ/TW

The development of science, technology, innovation (STI), along with digital transformation, is a decisive factor in national advancement and a crucial prerequisite for our country to grow stronger and more prosperous in this new era – an era of national resurgence.

In this context, the Politburo passed Resolution No. 57-NQ/TW on 22 December 2024, emphasizing the need for effective implementation of key objectives, which will be highlighted in this Industry Spotlight.
